The "Bump Board" reflects the current CBAA national team rankings. CBAA national rankings are the only statistical based, comprehensive rankings of the nation's collegiate angling scene, and are the "official" national rankings for the sport of collegiate angling. *The Collegiate Bass Anglers Association Inc. (CBAA) is the sanctioning body of collegiate bass fishing that is dedicated to, and vigilantly pursues the development, promotion and enhancement of the sport of collegiate angling and the student angler.
